I am his attorney. At present Mr. is about 85
years of age and senile to the extent that he could
not comprehend any questions you may have.

I was also the attorney for the estate of

queathed the sum of \$1,000.00 to St. Mary's Hospital,
Rochester, New York, for research in the matter of
dermatomyositis. Apparently he died of that disease.

If you will let me know just what information

glad to do so.

Very truly yours,

Daniel F. Fitzgerald
